

InSegment Office Location

To find our office suite, please follow these directions from Highland Avenue in Needham:

Turn down Mellen Street, located in between Citizen's Bank and Citibank. Make an immediate right turn into the Citibank parking lot and proceed straight behind the building. KinderCare will be on your right and a playground directly in front of you. Please park anywhere in this back lot beside the playground, walk toward KinderCare's double red doors, and continue left down the walkway between the playground fence and the building.

Our entrance is the next blue door on the right. Come in, up the stairs, through a second door, and you will have arrived at inSegment's office.
